### What is the UNtraining?

The UNtraining is a provocative and compassionate approach to help people discover how to work together in extraordinary ways to end our collusion with racism and all forms of oppression. The UNtraining provides insights and tools for all levels of experience and activism to people of color and white people.

UNtraining White Liberal Racism offers tools and practices for white people to investigate our white cultural conditioning, to uncover the ways it shapes our experience of ourselves and people of color, and to support change in ourselves and in the world. As children, we do not choose to take on our white conditioning, but as adults we can choose to undo it. The UNtraining program is offered in a small group setting, meeting once a month for six months. To find out more, go to [www.untraining.org](http://www.untraining.org).
